### Career

Since you like to unite both sides of an argument, law and justice would be good fields for you. You could also do well as labour mediator and any other positions in industry where you are called upon to create and maintain peace and harmony. Try to stay clear of profession which require instant and constant decision, because you find difficulty in making them quickly.

### Occupation

The first is the direct outcome of your highly sensitive nature. You become exhausted more quickly than the average person and the life you enjoy does not help in the matter. Digestive troubles result from self-indulgence. Too much is eaten. What is eaten is too rich and, very often, it is eaten too late in the day. There is a tendency to corpulence in later life.

### Hobbies

Travel is the pastime which appeals to you most, had you the leisure and the money to indulge in it wholeheartedly. As it is, you may have to content yourself with lesser diversion. Card-playing is welcomed and there is no doubt that you are able to derive a good deal of pleasure by making things - it may be anything from a wireless set to a batch of photographic prints.

### Love Matters

You are not a person who ought to go through life in single blessedness and, as a matter of fact, the older you grow, the more you will need a partner to listen to your joys and your sorrows. You set much score on a home of your own, and marriage brings this into being in a manner which you consider more perfect than any other. Your home will be your God. If you are a woman, you will say, when there will be your children because you were never so completely happy until they came. You will marry for love, naturally, but as the years roll on, you will think more and more of your partner, until a time will come when you cannot bear to be separated even for a day or two.

### Finance

In matters of money, you will be lucky during the early years of your life, but due to your own extravagance and lack of provision for the future, there will be grave danger of your finding yourself in an impoverished condition long before the end of your days. You cannot be too prudent in the matter of finance. You will not be really fitted for money grubbling in any of its forms. You belong more to the mental, intellectual plane and will care little about wealth if you can only have enough for your immediate wants. You belong to the hopeful class of individuals who are rather inclined to live in dreams.

You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

If Jupiter is in 5th or 11th house then it is useless. If Rahu is inauspicious in 9th house then chances of begetting a son are less, specially if native files court cases against one's blood relation. - (3) Always keep a dog (it saves ones progeny).
- (4) Have good relations with your in-laws.

### Ketu in your 3rd house:

The native would be god fearing and a gentleman. If Ketu is in 3rd house and Mars is in 12th then the native has a son before 24th year of age. The son would be good for wealth and longevity of the native. The native with Ketu in 3rd house usually gets a job, which entails long travels.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
